WHAT YOU GET

THREE THINGS, AND NONE OF THEM ARE A DISCOUNT CODE

A FREE WEDGE, THEN THE BAG

Your first wedge is free when you ask. Post every month and a new club opens up each month.

YOUR VIDEOS, RUN AS ADS

We put real ad money behind the best ones, from your handle, and you get a share of what they sell. Your link pays 10% on top.

THE CLUBHOUSE

A leaderboard, weekly races anyone can win, and Charms for posting that turn into hats and polos.

WHAT WE ASK

TELL US THE TRUTH, INCLUDING WHEN IT'S NOT FLATTERING

We pay for sales, never for reviews. Nobody gets paid to say a club is good.

- Film with your Lucky clubs: range sessions, real rounds, honest reactions.
- Post it as an Instagram Reel and tag @luckygolfofficial. Post it everywhere else too, but the Reel is the one we can run as an ad.
- Say it's a partnership. Every post with our gear gets a clear disclosure, paid or not.

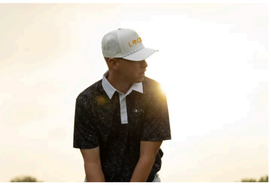

We read every application and answer either way.

ABOUT TWO MINUTES

BEFORE YOU ASK

THE BITS PEOPLE ALWAYS ASK

How many followers do I need?

None, on any platform.

Do I get paid?

Yes, for sales. When an ad we run from your video sells, you earn a share, and your rate climbs as your ads sell more. Your link pays 10% on anything bought through it.

Do I have to post?

To earn, yes. Clubs come from posting every month, and ad money comes from videos we can run. No quota beyond that, and no script.

Can I work with other brands?

Yes. We don't ask you to stop.

Does applying sign me up for anything?

No. If you're accepted, you'll agree to the terms and privacy policy before anything else happens.

THE LAST WORD

"IT'S BETTER TO BE LUCKY."

Post it, and we'll put money behind it.
