BEFORE YOU PICK

ONE SIZE, SET IT WHERE YOU LIKE

Every hat here is the same five-panel snapback underneath. The front is the only thing that changes.

Will it fit me? –

It's a snapback, so you set it where you want it and it stays there, whether you wear it high or pulled down.

What's in it? –

A moisture-wicking sweatband and laser-cut vents, which you'll notice in July when the group ahead is still looking for a ball.

What if I don't like it? –

Send it back within thirty days, unworn with the tags on. A hat that's been out on the course can't go back on the shelf, so decide before you play in it.
