POLOS

WEAR SOMETHING WORTH ASKING ABOUT

An athletic cut with four-way stretch, in prints that run from quiet to very much not.

BEFORE YOU PICK

FIND YOUR SIZE

Same $67 from S to 3XL. If the fit's wrong, you've got thirty days to send it back unworn with the tags on.

How does it fit?

It's an athletic fit, so it sits closer than a boxy golf polo, and the four-way stretch makes it more forgiving than the cut suggests. If you wear a large in a performance polo, a large here's right. Between sizes, or want room across the chest? Size up.

Classic collar or Blade collar?

The Blade has no buttons and no placket, so there's nothing at your throat. Everything else is the same shirt: athletic fit, 88/12 poly-spandex, four-way stretch and UPF 50+. You're picking a collar and a print.

What's it made of?

88% polyester and 12% spandex, with four-way stretch. It's moisture-wicking, wrinkle-resistant and UPF 50+. Machine wash cold, tumble dry low.

What if the size is wrong?

Send it back within thirty days, unworn with the tags on.
