Fit: athletic, with four-way stretch, so it's more forgiving than the cut suggests. If you wear a large in a performance polo, a large here's right. Between sizes, size up.

THE POLO

SWING IN IT. STAY OUT AFTER.

Most golf polos are cut like a box, and you feel it at the top of the backswing when the whole shirt drags across your shoulders. This one's an athletic fit in 88/12 poly-spandex with four-way stretch, so it moves when you do.

It's UPF 50+, it wicks, and it's wrinkle-resistant, so it comes out of the bag looking like it didn't spend the morning in one.

Every print is the same shirt underneath. Pick the one you want to look down at.
