

AMBASSADOR PROGRAM

PLAY THE CLUBS. SAY WHAT YOU ACTUALLY THINK

That's the entire bar. No follower count, no contract, no hashtag we make you use.

WHAT YOU GET

THREE THINGS, AND NONE OF THEM ARE A DISCOUNT CODE

FIRST LOOK AT DROPS

You hear about a new loft, a restock or a print before the email goes out, and you get a shot at it before it sells through.

A GROUP CHAT WITH US IN IT

Not a newsletter. Actual people from Lucky, answering and asking. Half the things we've changed started there.

A SHOT AT A CLUB TO PLAY

Clubs go out to people in the program to put in the bag and report back honestly. Sometimes it's a wedge, sometimes it's the next thing.

WHAT WE ASK

TELL US THE TRUTH, INCLUDING WHEN IT'S NOT FLATTERING

We'd rather hear that the 60 spins too much for how you play than read a caption we could have written ourselves.

- Put it in the bag and play it. A club you never hit tells us nothing.
- Say what you found. A message in the group chat counts as much as a post.
- Tag us if you feel like it. That part is genuinely optional.

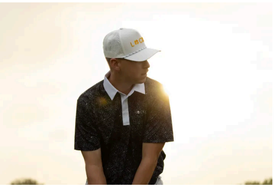

We read every application and answer either way, usually inside a week. A no now isn't a no forever.

APPLY

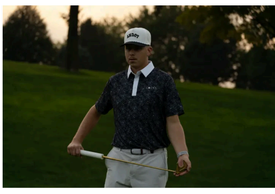

TWO MINUTES, ON OUR CREATOR PAGE

Tell us who you are, where you play and what's in the bag. Applications go through creators.luckygolf.com.

BEFORE YOU ASK

THE BITS PEOPLE ALWAYS ASK

How many followers do I need?

None. We've taken people in with a private account and turned down people with a big one. What we look at is whether you play and whether you'll say something real.

Do I get paid?

This isn't a paid deal. You get the drops early, the group chat and a shot at a club to play. If something bigger comes up with you specifically, we'll talk about it then.

Do I have to post?

No. Plenty of the most useful feedback we've had never left the group chat.

How long does an answer take?

Usually inside a week, and you get one either way. If the answer is no, it's a no for now, not a door closing.

THE LAST WORD

THE REVIEWS HERE INCLUDE THE BAD ONES

That's the same reason this program exists.
