WHAT YOU GET

REAL CLUBS, REAL AD MONEY, AND NONE OF IT IS A DISCOUNT CODE

CLUBS, FOR POSTING

Your first wedge is free when you ask. Post every month and the rest of the bag opens up.

YOUR VIDEO RUNS AS THE AD

The ones that land get run as paid ads from your handle, and you earn a share of what they bring in. Your link pays 10% on top.

THE NUMBERS STAY OPEN

Every ad's performance is visible to every ambassador, including what yours made.

HOW IT WORKS

APPLY. POST. GET RUN.

- **Apply.** Name, email, your handles and how you play. That's the whole form.
- **Post.** Your pace, your voice. No scripts and nothing to get signed off.
- **Get run.** Approve the Instagram partnership once, and we put budget behind whatever works.

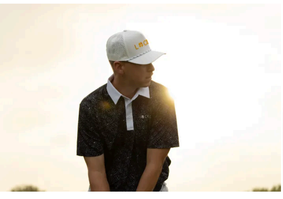

We read every application, and you hear back either way.

ABOUT TWO MINUTES

Linking your best posts gets you a faster yes. Ads can only run from Instagram, so that's the handle worth giving us.

BEFORE YOU ASK

THE BITS PEOPLE ALWAYS ASK

How many followers do I need?

None, on any platform.

Do I get paid?

When your video runs as an ad, you earn a share of what it brings in, and your link pays 10% on the sales it sends. The clubs come free as you post.

How often do I have to post?

Your pace. There's no quota and nothing expires. Posting every month is what opens up the rest of the bag.

Can I work with other brands?

Yes. There's no exclusivity, and we won't ask you to stop.

Does applying sign me up for anything?

No. If you're accepted, you'll agree to the terms and privacy policy before anything else happens.

THE LAST WORD

"IT'S BETTER TO BE LUCKY."

Post it, and we'll put money behind it.
