THE MIDAS TOUCH

Every shot I touch now turns to gold since I got this lucky golf wedge. Pure beauty in each stroke, it's total head turner. You don't even have to take it out of the bag and people ask you about it. Solid gold baby!

SO NICE, I BOUGHT IT TWICE!

I bought myself a 60 degree last year. I love it so much, and get so many comments/compliments on the look... but the performance speaks even louder!
In this recent purchase I bought 2 more and gave them to my dad for Father's Day and my brother for his birthday (same week!). They love them!

GREAT CLUB, OK CUSTOMER SERVICE

The club itself, outstanding. Looks sharp, plays well, nice feel. Definitely a good addition to the bag.
First club got lost in transit. Took forever to get a response from anyone. Like weeks. Actually got a notification of a replacement shipping before anyone actually replied to me.
So, as long as it ships ok, you'll love the club! But good luck if there's an issue. Hope you have patience.
